Many people don't venture outside of fb. Many conservatives don't even use tdw. I know a few who didn't even know about the rally. Spread the word. It's all I can say.

🇺🇸 **Spread the word about DC on the 6th with these images!** 🇺🇸 **Print them out and make signs or stickers, then post them in public everywhere!**

**Hang them in your vehicle windows** with masking tape and drive around in your free time in busy places at busy times of day, like a Mobile Billboard of Truth!

We need to reach more than Conservatives

Bubbles are bad

And if you're only going to want to hang out with other conservatives you're going to lose elections because you need more than just conservatives to win elections

Then point us all to this magical place where conservatives can speak freely on the internet?

You can't, because no place exists outside of TDW.

The censorship is real, faggot.

As censorship gets worse the potential for growth here is huge.

It's how I ended up here. Well Salty is how i ended up here but the lack of censored info is why i stayed. Even if this place isn't entirely friendly to newcomers due to an aggressive response to stupidity, there are some based ass conversations on here that are truly inspiring. There's information consolidated here that's hard to find anywhere else.

Most suburban, white, conservative moms I know are CONSTANTLY scrolling on FB all day long. It's such cancer, getting off of there was one of the best things I've done. I've told several about TDW, and they don't like it because of all the Pepe memes.

What's scary is, if you look at cars next to you in traffic when you pull up to stop lights, with so many women (and soyboys too) *instantly* the hand goes up and *back to scrolling* on the phone! Gotta get that next hit! Can't wait until they get home, might "miss" something "really important!" :-P

Yep! That just happened as I was driving home today. While stopped at a light, I glanced in my rear view and saw a massive face in the car behind me with it's head instantly glued to the phone.

I also have to roll my eyes at my leftist neighbor every time she walks to school to pick up her kid. We have to wait outside for about 5 minutes for our kids to get out, and the whole time she's endlessly scrolling while ignoring the other kids with her. She also wears a massive face diaper. They're so addicted to their phones, it's pathetic,
